## WELCOME TO SHRMIANS FAMILY!

Congratulations July 2013 Intake new students on your admission and welcome returning students to a new term at SHRM College!

On 22nd July 2013, new students of July 2013 intake were given a Student Orientation Kit as their first step to an exciting journey ahead of learning and growing at SHRM.

Students were distributed a Student Orientation Kit upon arrival. The Kit consisted of important information such as their Class Time Table, transportation guide and the SHRM Student Handbook. The Student Handbook provides students with important information on school policies, details on their programme of study and generally about Singapore.

The Orientation session started with a presentation from Ms Shelley Tan, our head of Student Services Department, on administrative matters, campus services and policies. This was followed by a presentation from our Academic Director, Dr. Jonathan Britt, on an overview of our programmes and how to maximize student's academic experience. During the sessions, student also had a good opportunity to meet and interact with other new students, lecturers and staff members.

As the Orientation close, students were fully prepared and equipped with necessary information to ensure a smooth college life at SHRM. We wish you a successful academic year ahead!

## THE TRUE ART OF FINE DINING

On 12th July 2013, the 2nd Enrichment Workshop Series drew to a close with an inspiring and interactive Wine Tasting Workshop.

Participants were explained and coached on the characteristics of various types of wine, the fine art of wine making, and how to serve and appreciate wine. The session also included actual practice of wine tasting with samples of Pierre Jean Colombard Chardonnay 2012 and Pierre Jean Merlot 2012.

During the workshop, there were lots of constructive queries and active discussions that truly lifted up the whole experience of the wine appreciation and its relation to fine dining. At the end of the workshop, everybody went home with a high spirit and a bottle of Pierre Jean Colombard Chardonnay 2012.

Remember: In its simplest definition, "fine" means of superior quality, skill, or appearance. Not even in an expanded definition does it say expensive, elaborate, or restaurant. Let's throw away the stereotypes and explore what fine dining really means to you. /
