Des Ailes Air

Students from Advanced Diploma in Hospitality Management intake 48 and 49 had an exciting industry visit to Hotel Indigo Singapore Katong and Holiday Inn Express Singapore Katong.

The visit exposed students to real life operations in a hotel and helped to set right expectations for their future employment. It is a valuable learning experience acquired during the visit.

## Our Graduates. Our Pride

We are proud to announce that the following SHRM graduates have successfully obtained their internships in Singapore. SHRM always tries its best to place the graduates in well-established hotels and restaurants. This boosts the experience a student gains from working in a hospitality environment. Once again, a big congratulations to our beloved graduates for reaching their first milestone. You are always SHRM's pride!

## Upcoming Event: Student's Final Project - Des Ailes Air

A Final Project will be hosted by our students from Advanced Diploma in Hospitality Management Intake 44 on 13 September 2019. As part of their course, graduating students from the Advanced Diploma in Hospitality Management programme are required to execute a Final Project in the form of an event, which allows them to showcase their skills and knowledge obtained from the two years at SHRM College.
